The Oriental
One of the original Brighton Boutique hotels.
Edit
Under-stated yet bursting with character, this newly refurbished AA 4* guesthouse has a refreshing view on design and service.
The Oriental
The Oriental, formerly the Oriental Hotel, is one of the original Brighton Boutique hotels. Recommended by Time Out, Lonely Planet & The Guardian and most recently the Sunday Times Travel Magazine put the Oriental in the World's 100 Best City Hotels for £100 or less.
Thoughtfully unpretentious and resonantly Brighton, the Oriental is like visiting the home of one of your friends; relaxed and unfussy, with the trimmings of a lifestyle hotel plus the friendly charm of a bed and breakfast. With parking on the next square, the beach within 50 yards and both the city centre and Brighton Centre less than 10 minutes walk away.
